Getting Started

UCF adjunct positions

Adjunct positions are temporary, non-benefit eligible faculty appointments paid from Other Personnel Services (OPS) funds. As opposed to hourly OPS employees, such appointments are made via an adjunct employment agreement (or “contract”) for an academic term, academic year, or calendar year as appropriate given the assigned duties and responsibilities. Adjunct appointments are typically instructional in nature and the employees are compensated on a per course basis.

There are no advertising or search requirements for these types of positions. The hiring official may simply hire the candidate of his or her choice following state and federal law, university regulations and policies, and other rules as referenced in this guide.

Budget authority

Education & General (E&G) Positions: The first step in hiring an E&G adjunct faculty is to confirm that there are sufficient available funds in the department’s budget to cover the cost of the appointment, as approved by your area VP or college dean’s office.

Contract & Grant (C&G) Positions: To confirm budget availability for C&G postdoctoral associate positions, contact the Office of Research & Commercialization.

Position number assignment

Position numbers are not assigned to these types of appointments as they are considered OPS (Other Personnel Services).

Classification assignment

In determining the employee’s correct classification, please consider the employee’s job functions and align them with the most appropriate faculty classification (job title) and job code as listed on the Faculty Job and Administrative Title Specifications, located at www.provost.ucf.edu (see Forms, Policies, Procedures, and Other Documents).

Hiring Package and Other Required Documentation

Hiring package

The following supporting materials must be secured by the hiring official and, depending on the document, the copy or original must be retained in the employee’s official college file for possible university audit. Note that some of these documents may not be required for adjuncts who are hired for less than 90 days. For more information in this regard, please refer to the Adjunct Documentation Requirement Reference Chart (see Appendix A). Unless otherwise specified, the following forms may be obtained from the Office of the Provost and Executive Vice President’s website at http://provost.ucf.edu/forms-policies-and-procedures/.

1. Adjunct and Postdoctoral Hiring Checklist
2. Current résumé or curriculum vitae (CV)
3. **Official transcript of highest degree.** Credentials earned at a non-U.S. institution require a U.S. equivalency evaluation acceptable to the university. For more specific information on how to obtain a U.S. equivalency evaluation and the required supporting documents, please contact Faculty Affairs by calling them directly or visit their Web site at [http://facultyaffairs.ucf.edu/qualifications/index.asp](http://facultyaffairs.ucf.edu/qualifications/index.asp) (see Faculty Qualifications and select the UCF-Approved Credential Evaluation Services link).

4. **Copy of completed and signed Adjunct Faculty Agreement and Applicant Affirmation forms.**

5. **Faculty Employment Certification--Form AA20.** As indicated on form AA20, certification of teaching qualifications will also be required for adjuncts who will serve as an instructor of record for UCF credit-bearing experiences.

6. **Certification of Faculty Teaching Qualifications.** Required for all adjuncts expected to serve as an instructor of record for any credit-bearing UCF experience (including thesis, dissertation, directed research and independent study hours). Certification is done electronically via the Faculty Qualifications Management System (FQMS). For additional information regarding the FQMS, please refer to the Faculty Affairs Web site at [http://facultyaffairs.ucf.edu/qualifications/index.asp](http://facultyaffairs.ucf.edu/qualifications/index.asp).

7. **Nomination and Appointment to Graduate Faculty and Graduate Faculty Scholars form.** Check only for adjuncts who will participate in graduate level activities. In such cases, the form should be submitted electronically to the College of Graduate Studies, along with a copy of the candidate’s curriculum vitae. The form should not be included in the hiring package.

8. **Three documented telephone reference checks.** Verification of three or more telephone reference checks. Note that current letters of recommendation (meaning no more than one year old) may also be used, but can only substitute for one of the required telephone reference checks. In other words, at least two of the references must be made via telephone. Please also note that at least one of the references should be solicited from someone other than those indicated on the candidate’s list of references.

9. **Criminal history background check.** Official results from the criminal history background check are obtained from the Office of Human Resources Recruitment Section (see below). The results must be reviewed and initialed by the hiring official or other responsible area or college official.

### Teaching qualifications documentation

As indicated on the Adjunct Hiring Package Checklist, all new adjuncts that will serve as an instructor of record for UCF credit-bearing courses (including thesis and dissertation hours, directed research, and independent studies) must be certified using the Faculty Qualification Management System. For instructions on how to submit the certification via the online system, please contact the Office of Faculty Affairs or visit the Web site at [http://facultyaffairs.ucf.edu/qualifications/index.asp](http://facultyaffairs.ucf.edu/qualifications/index.asp).

### Graduate Faculty appointments

Before engaging in any graduate level activities (teaching graduate courses and/or serving as members or co-chairs of thesis or dissertation committees), the candidate must be appointed as a Graduate Faculty Scholar. In order to nominate a candidate for such an appointment, the hiring department must complete and submit (electronically) an approved Nomination and Appointment to Graduate Faculty and Graduate Faculty Scholars form along with a copy of the nominee’s curriculum vitae to the College of Graduate Studies.

The nomination form and additional information regarding this process can be found at [http://www.admin.graduate.ucf.edu/formsnfiles/](http://www.admin.graduate.ucf.edu/formsnfiles/).
**Individuals Holding Public Office**

A candidate that holds or formerly held a political office at the local, state, or national level must be approved for hire by the provost and executive vice president prior to making an offer of employment. Specifically in such cases, the respective college dean or administrative area vice president must consult with the vice president for university relations and then seek hire approval from the provost and executive vice president. Dean/VP offices may contact the Office of the Provost and Executive Vice President. For additional information, please refer to the UCF Guideline on the Appointment of Individuals Holding Public Office at [http://provost.ucf.edu/files/2011/04/Guideline-Appt-Public-Office.pdf](http://provost.ucf.edu/files/2011/04/Guideline-Appt-Public-Office.pdf).

**Employment of Relatives**

UCF policy 3-008.1 permits employment of relatives, provided that it does not create a conflict of interest. In this regard, appointments of faculty who have indicated on the Applicant Affirmation that they have a “relative (as specifically defined by the policy)” employed by the university must be reviewed and approved by the provost or designee. Additional information on the policy and process can be found at [http://policies.ucf.edu/](http://policies.ucf.edu/).

**Documents required by Human Resources**

Once the employee has been selected and all hiring documents have been obtained, the college/area must complete the necessary sign-in documents as required by the Human Resources Records section. Please refer to HR’s OPS New Employee Sign_in form for Adjunct Faculty at [http://hr.ucf.edu/web/forms/records/Adjunct%20Faculty%20Sign%20In%20Documents.pdf](http://hr.ucf.edu/web/forms/records/Adjunct%20Faculty%20Sign%20In%20Documents.pdf) for additional information in this regard.

**Criminal History Background Checks**

UCF requires a criminal history background check for all new adjunct faculty hires, as well as rehires that have been off the university payroll for one year or more. Employees for whom a criminal history background check has not been completed may not be placed on the university’s payroll. In order to request the required background check, the hiring official must forward a completed and signed Faculty Disclosure and Release of Information Authorization form and Applicant Affirmation directly to HR’s Recruitment section. To obtain the disclosure form and more specific information regarding the criminal history background check process (including a “Frequently Asked Questions” list), please visit HR’s Recruitment Section Web site at [http://www.hr.ucf.edu/web/recruitment/Background_Checks.shtml](http://www.hr.ucf.edu/web/recruitment/Background_Checks.shtml).

Note that the purpose of any criminal history background check is to determine whether criminal history is job-related. A criminal history is not a bar to employment. The criminal history of a finalist should be carefully considered against his/her qualifications for the position, taking into consideration the needs of the university and the requirements of the position.

**Obtaining a Personal ID and MS Outlook E-mail Account**

New employees may obtain an employee identification number (EmplID) before completing the hiring process. The assignment of an EmplID will enable the employee to begin the process of securing a parking decal from the University Parking and Transportation Services office, access to University Library services, as well as the ability to order course books and other information to support their transition to the university.
The EmplID number can be obtained by the college/area by partially completing the “Hire an Employee” form via the Electronic Personnel Action Form system (ePAF).

Please note that it is the department’s responsibility to ensure that EmplID’s are created only for those employees who have received a formal offer of employment.

For more information, regarding how to obtain an employee ID, please refer to Human Resources’ “How to Create an EmplID for an employee through ePAF” miniguide available at http://www.hr.ucf.edu/web/records/ePAF%20Mini-Guides.shtml.

Once an Empl ID has been assigned, a UCF Exchange e-mail account may be requested by the hiring college/area. For further information on this process, please refer to Computer Services & Telecommunications Web site https://publishing.ucf.edu/sites/itr/cst/Pages/ServiceDeskFacultyStaff.aspx.
