Course Agenda

1. Course Additions

College of Arts and Humanities Course Additions

EUH 3XXX **CAH-HIST** **3(3,0)**
History of Medieval Spain 400-1100 : PR: EUH 2000 or C.I. Political, religious, and cultural history of the Iberian Peninsula from the fall of Rome to collapse of the Umayyad Caliphate and the start of the Crusades *Odd Fall*.
Abbrev: (28 of 30 chars) Hist Medieval Spain 400-1100
Discussion with others: We've discussed it with Modern Languages and there is no conflict. Email attached.
Rationale: To expand our offerings in pre-modern Iberian and European history
Majors taking course: History BA students

EUH 4XXX **CAH-HIST** **3(3,0)**
History of the Roman Empire: PR: EUH 2000 or WOH 2012 or C.I. The history of Roman civilization from 31 BC to AD 476 *Even Spring*.
Abbrev: (12 of 30 chars) Roman Empire
Discussion with others: We've discussed it with the Department of Philosophy and there are no conflicts. Emails attached.
Rationale: This course increases and diversifies the Department of History's offerings and complements existing courses on Roman and Medieval histories.
Majors taking course: History, Anthropology and Philosophy majors

HIS 3XXX **CAH-HIST** **3(3,0)**
Introduction to Historic Preservation : PR: AMH 2010/AMH 2020 sequence, and EUH 2000/2001 or WOH 2012/2022 sequence or C.I. Introduces students to historic preservation practice and theory using domestic and international examples. *Odd Fall*.
Abbrev: (30 of 30 chars) Intro to Historic Preservation
Discussion with others: We've discussed this course with Anthropology, SVAD, and Public Administration and there are no conflicts. Emails attached.
Rationale: By emphasizing historic preservation as a facet of public history, the course builds upon the existing academic offerings. It also offers history students and others exposure to career options for those interested in the historic built environment. The course's interdisciplinary nature also builds bridges between departments and its global nature furthers the university's goals of internationalization.
Majors taking course: History, Urban and Regional Planning, Architecture students.

College of Sciences Course Additions

PUP 3XXXH

COS-POLS

3(3,0)

Honors Sustainability: PR: ENC 1102 and Honors Standing, or Cl. Environmental politics through the lens of "sustainability." Attention devoted to the relationships of culture, economics, and ecology. *Occasional.*

Abbrev: (21 of 30 chars) Honors Sustainability

Discussion with others: Honors requested offering. See attached.

Rationale: It is an Honor's version of our current undergraduate Sustainability course. This will help Honors students to write their Honor's Thesis.

2.Special Topics Additions

College of Health and Public Affairs Special Topics Additions

CCJ 4932

HPA-CJ

3(3,0)

ST: Data Analysis for Criminal Justice: PR: CCJ 4701 or a grade of C or better in MAC1105 or MGF1106 or higher-level math class. Data Analysis for Crim Just *Occasional.*

Abbrev: (34 of 30 chars) Data Analysis for Criminal Justice

Discussion with others: N/A

Rationale: N/A

CCJ 4932

HPA-CJ

3(3,0)

ST: Research Methods: PR: CCJ 3014 and CCJ 3024. Research Methods in CJ *Occasional.*

Abbrev: (36 of 30 chars) Research Methods in Criminal

Justice Discussion with others: Permanent course approved by state.

Rationale: N/A

Course Revisions

College of Arts and Humanities Course Revisions

EUH 3411 **Ancient Rome** **3(3,0)**

History of the Roman Republic

PR: EUH 2000 and ~~EUH 2001~~ or WOH 2012 or C.I.

~~Romans and their contributions to Western Civilization. Covers traditions~~ History of Roman Republic, Carthaginian Wars, Imperial Period. civilization from 753 BC to 31 BC
